

# Team Building Through Chemistry Workshop

---

Teams are unavoidable in any business. The key to successful team building is addressing the importance of chemistry between team members. It is not enough to have a group of people work on a project; people have to connect and balance each others' strengths. By staying aware of the chemistry as you build the group, you will increase the chance of avoiding pitfalls and developing a sense of unity.

With our "Team Building through Chemistry" workshop, your participants will discover the specifics of how building a team through chemistry will lead to success.

## Workshop Objectives:

---

- Understand the team development model
- Identify team chemistry
- Create vision and goals
- Appreciate diversity
- Manage conflict
